## Extravaganza 2019

### What is a Studebaker?

- ◆ For those who do not know . . .  
. . . it is a vehicle officially produced, in various forms, since **1852**.
- ◆ The Studebaker Drivers Club is one of the largest single-marque car clubs in the world, in existence since 1962.
- ◆ The Studebaker Drivers Club holds an International Meet annually and the 55th is in **Mansfield, Ohio**.
- ◆ The Studebaker Extravaganza is **open to the public** on **SATURDAY, SEPTEMBER 14**, 9 am until 3 pm at the Richland County Fairgrounds.
- ◆ There will be not one, but **TWO** electric Studebaker buggies dating to 1908, campers, fire trucks, hot rods and modifieds, classics, possibly a wagon (Studebaker manufactured them for the US Army during the Civil War), parts vendors, a Studebaker band performance and more!
- ◆ Studebaker produced military trucks, aircraft engines and the Weasel, a tracked carrier, during World War II.
- ◆ Studebaker has owned Packard, Pierce-Arrow, STP, Gravelly, Clarke, Onan, Empire-Detroit steel mill, and was absorbed by the McGraw-Edison Company which was acquired by Cooper Industries.
